## Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- the effectiveness of operations
- the economic and efficient use of resources

Last reviewed: 30th January 2023

- compliance with applicable policies, procedures, laws, and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity, and corruption
- · the integrity and reliability of information, accounts, and data

# Methodology

When conducting the audit, the internal auditor may:

- conduct a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year in order to be able to complete the Annual Internal Audit Report 2022/23 of the Annual Governance and Accountability Return (AGAR)
- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws, and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being conducted as planned

# Section 1 - proper bookkeeping

The internal auditor will look at the methods and processes used to manage the council's accounts and in particular that it provides clear data for reporting and monitoring purposes. This includes checking information is accurate, kept up to date, referenced and verified.

| Evidence  |               | Internal auditor commentary   |  |  |
|---|---------------|---|--|--|
| Is the ledger maintained and up to date? Yes        |               | The council uses a computerised spreadsheet to form the basis of their accounting system. It provides data for analysis allowing the RFO to produce clear financial management reports.   |  |  |
| Is the cash book up to date and regularly verified? | Yes           | This provides good evidence to support the Council's underlying statements. The internal auditor noted the relevant power is included within the cash book which shows good practice.   |  |  |
| Is the arithmetic correct?                          | Partly<br>Met | Accounting records were spot checked – they are maintained and identify expenditure and income at any given point however the bank interest was incorrectly added giving a total receipt of £14.99. Four interest payments had been received in the year under review of: 6.6.2248p 5.9.22 - £1.96 5.12.22 - £3.55 6.3.23 - £9.10 Giving a total of £15.09 therefore the final year receipts should read £7541.76 not £7541.68 as stated. |  |  |

Additional comments:

# **Section 2 – Financial Regulation and Standing Orders**

The internal auditor will check the date the Council conducted its annual review of both Standing Orders and Financial Regulations and in particular check if these are based on NALC'S latest model which include legislative changes.

|   |     | Internal auditor commentary   |
|---|-----|---|
| Have Standing Orders been adopted, up to date and reviewed annually?          | Yes | At the meeting of 11 January 2023 the Council carried out an annual review of its Standing Orders. Use of the Model Standing Orders (produced by NALC 2018)  Comment: At the next review Council may wish to increase the Procurement amendments (SI 2022/1390) of the Public Contracts (Amendment) Regulations 2022 which came into force on 21 December 2022 and make the changes to the contract value limits from £25,000 to £30,000.           |
| Are Financial Regulations up to date and reviewed annually?                   | Yes | At the meeting of 11 January 2023 the Council carried out an annual review of its Financial Regulations. Use of the Model Financial Regulations (produced by NALC 2019)  Comment: At the next review Council may wish to review the Procurement amendments (SI 2022/1390) of the Public Contracts (Amendment) Regulations 2022 which came into force on 21 December 2022 and make the changes to the contract value limits from £25,000 to £30,000. |
| Has the Council properly tailored the Financial Regulations?                  | Yes | Financial Regulations have been tailored to the Council.  |
| Has the Council appointed a Responsible Financial Officer (RFO)? <sup>1</sup> | Yes | In accordance with Section 151 of the Local Government Act 1972(d)(financial administration), the Clerk has been appointed the Responsible Financial Officer which was confirmed at a meeting of Council on 5 October 2022 following the resignation of the previous RFO on 1 October 2022.   |

## Section 3 – Payment controls

The internal auditor will specifically check bank reconciliation including credit/debit cards and management approval processes and evidence that internal Financial Regulations (FO) are being followed. The internal auditor will examine how regular payments are managed and specifically seek evidence that these have been brought back to the Council for verification purposes especially where the actual payment made differs from the amount previously agreed. VAT should be clearly identified including evidence that claims have been correctly managed. The internal auditor will check if the Council has a clear understanding on eligibility in relation to the General Power of Competence and that s.137 has been correctly applied and managed.

| Evidence  |               | Internal auditor commentary   |
|---|---------------|---|
| Is there supporting paperwork for payments with appropriate authorisation?          | Yes           | A selection of expenditure items were made and cross-checked against the cash book, invoices and bank statements. A financial report is presented to Council at each meeting with a list of payments presented to ensure formal approval of expenditure which are included within the body of the Minutes. Demonstrating good practice in that there are measures in place that help safeguard public money supported by a straight forward and clear audit trail for each payment.   |
| Where applicable, are internet banking transactions properly recorded and approved? | Partly<br>Met | Council commenced internet banking for the March 2023 payments. Council's internal controls state all BACS payments to be authorised by two councillors. Upon review of a sample of payments made, there was a lack of sufficient detail confirming which Councillors had approved payments.  Recommend: Council follow its own Internal Controls and consider expanding its financial risk assessment to detail the terms of reference for such payments to be made. The 'two member signatures' control needs to remain in place until such time as the authority has put in place safe and efficient arrangements.  Guidance from the NALC Finance and Audit Advisor has been that the over-riding requirement resulting from the abolition of S150 (5) is that each and every local council seeking to depart from the two-signature rule must 'implement and maintain robust controls on expenditure as an integrated part of their overall financial control system.' Council should note that whilst |

Last reviewed: 30th January 2023

|  |     | it is not a requirement that two people authorise electronic payments, Council should consider the appropriate systems, procedures and controls available by banking providers. A template Internet Banking risk assessment is available on the SALC website. |
|--|-----|---|
| Is VAT correctly identified, recorded, and claimed within time limits?   | Yes | Clearly identified in the cash book. A claim had been received of £176.69 in the year under review.   |
| Has the Council adopted the General Power of Competence (GPOC) and is there evidence this is being applied correctly? <sup>2</sup> | N/A | The General Power of Competence had not been adopted by Council.  |
| Are payments under s.137 <sup>3</sup> separately recorded, minuted and is there evidence of direct benefit to electorate?          | N/A | No S.137 payments had been made in the year under review.   |
| Where applicable, are payments of interest and principal sums in respect of loans paid in accordance with agreements?              | N/A | The Council did not operate a Public Works loan in the year under review.   |

Additional comments: It was noted in the Cash book of the Council a grant was made to the PCC for grass cutting of the churchyard using the power LGA 1972 s.214 NALC's view is that the 1894 LGA does restrict parish councils from spending on works relating to the affairs of the Church and this includes grass cutting and churchyard maintenance however the Government's current view on the legal issue is that there is not a need for further legislation as they believe the 1894 Act restrictions do not override the provisions in later Acts of Parliament. Whilst there is no consensus on this issue, a council that considers making a payment in these circumstances needs to consider whether it is prudent to take a course of action that it cannot be certain is legally valid.

## Section 4 – Risk management

The internal auditor will expect to find evidence of the management of risks from identification of what those are for each individual Council through to how these will be managed and the controls in place to mitigate these and that these have been approved by the Council.

<sup>3</sup> Section 137 of the Local Government Act 1972 ("the 1972 Act") enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. The basic power is for a local council to spend money (subject to the statutory limit – of £8.82 per elector) on purposes for the direct benefit of its area, or part of its area, or all or some of its inhabitants.

| Evidence   |     | Internal auditor commentary  |
|--|-----|--|
| Is there evidence of risk assessment documentation?  | Yes | This was considered for the period under review at the meeting of the Council on 11 January 2023 and covers in general terms the matters which could prevent a smaller relevant body from functioning.   |
| Is there evidence that risks are being identified and managed?   | Yes | The Risk Assessment document shows consideration of financial and property risks to the Council and the actions and decisions Council needs to put in place during the year. It is noted the Council is not responsible for play equipment.  |
| Does the Council have appropriate and adequate insurance cover in place for employment, public liability and fidelity guarantee <b>and</b> has been reviewed on an annual basis? | Yes | General Insurance from Ansvar for the period under review shows core cover:  Public Liability £10 million  Employers Liability £10 million  Fidelity Guarantee £50,000 which given the current balances held by the council is within the recommended guidelines of year end balances plus 1st instalment of precept received.  The Council's insurance cover was reviewed at their meeting on 5 October 2022 with a minute reference which shows good practice.   |
| Evidence that internal controls are documented and regularly reviewed <sup>4</sup>   | Yes | At a meeting of Council on 5 October 2022 it was evidenced that the Council has a comprehensive financial risk assessment that demonstrates public finances are adequately protected and managed and evidence that any necessary steps have been taken to mitigate any risks identified. Documentation to support control procedures adopted by the Council for payments helps protect the RFO and fulfils an internal control objective. In accordance with the Accounts and Audit Regulations 2015 the Council has understood the requirements to have in place safe and efficient arrangements to safeguard public money. |

Additional comments: The Council has identified a number of risks to Belstead Parish Council and taken steps to control these. These are clearly identified and approved by Council. In accordance with proper practices the Council has demonstrated it has taken steps to manage key risks in a way it can justify to a level which is tolerable by transferring the risks and taking out insurance. By reviewing the terms of reference for internal audit the Council has followed guidance and demonstrates it recognises that the internal audit function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily.

# Section 5 - Budgetary controls

The internal auditor will seek verification that budgets are properly prepared, agreed and monitored. In particular they will look for evidence of good practice in that the key stages of the budgetary process have been followed

| Evidence   |     | Internal auditor commentary  |
|--|-----|--|
| Verify that budget has been properly prepared and agreed                           | Yes | The budget for the year 2022/23 was considered at a meeting held on 12 January 2022 and agreed by full Council.  |
| Verify that the precept amount has been agreed in full Council and clearly minuted | Yes | The precept for the year 2022/23 was considered at a meeting of Council on 12 January 2022 at the sum of £7350 with a clear minute reference being made which is evidence of good practice.  |
| Regular reporting of expenditure and variances from budget                         | Yes | Regular budgeted and actual income and expenditure reports are presented to Council and accords with the Council's own Standing Orders.  |
| Reserves held – general and earmarked <sup>6</sup>                                 | Yes | The Council's final accounts show general reserves in the sum of £4347 (rounded) and earmarked reserves in the sum of £20,500 with overall reserves standing at £24,847 (rounded)  The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained between 3 and 12 months net revenue expenditure. At the current level, Council's general reserves are considered within this level. It is noted Council has a Reserves Policy which shows good practice |

**Additional comments:** Good practice in that recommended key stages of the budgetary process are as follows:

- decide the form and level of detail on the budget
- review the current year budget and spending
- assess levels of income
- bring together spending and income plans

<sup>&</sup>lt;sup>6</sup> In accordance with proper practices, the generally accepted minimum level of a Smaller Authority's General Reserve is that this should be maintained at between three (3) and twelve (12) months of Net Revenue Expenditure

Last reviewed: 30th January 2023

- provide for contingencies and consider the needs of reserves approve the budget confirm the precept

- review progress against the budget regularly throughout the year

## Section 6 - income controls

The internal auditor will seek evidence to ensure income is correct managed – recorded, banked, and reported and test mechanisms used to achieve this.

| Evidence   |     | Internal auditor commentary   |
|--|-----|---|
| Is income properly recorded and promptly banked?   | Yes | A number of items of income were cross-checked against the cash book and bank statements and found to be in order. In accordance with proper practices the Responsible Financial Officer ensures that accounting records contain day to day entries of all sums of money and that income received is properly accounted for.  Comment: See Section One in regards bank interest |
| Is income reported to full council?  | Yes | In accordance with the Council's Standing Orders.   |
| Does the precept recorded agree to the Council Tax Authority's notification?                 | Yes | The Council received precept of £7,350 during the year under review in April and September 2022.  |
| If appropriate, are CIL reporting schedules in accordance with the Regulations? <sup>7</sup> | N/A | The Council has not received any CIL funds.   |
| Is CIL income reported to the council?   | N/A |   |
| Does unspent CIL income form part of earmarked reserves?                                     | N/A |   |
| Has an annual report been produced?  | N/A |   |
| Has it been published on the authority's website?  | N/A |   |

#### Section 9 - Asset control

The Internal Audit will be seeking to establish if there is a list of assets in accordance with proper practices including the date of acquisition, location, and value. This extends to checking policies (with evidence of review) and that the Council has applied the documented approach in practice. The Internal Auditor will check not only valuation processes but the existence of reserve budgets for depreciation and adequacy of insurance. A clear audit trail should be available when items are purchased including minutes to evidence approval.

| Evidence  |     | Internal auditor commentary  |

| it owns and manage this in accordance with proper practices?9  Is the value of the assets included? (Note value for insurance purposes may differ)  Yes |     | Declared value is £8318 for the period under review, which shows an uplift of £172 (part purchase of laptop) in the year under review and is correctly entered in Section 2, box 9 of the 22/23 AGAR.  The asset register lists items under insurance that fall within the Council's remit for maintenance and ownership. The register states value as at the date of acquisition and where assets have been gifted or have an unknown |
|   |     |  |
| Is the asset register up to date and reviewed annually?   | Yes | The asset register was reviewed by the Council at its meeting on 22 June 2022 confirming it covers assets within the ownership or responsibility of the Council.   |
| Cross checking of insurance cover   | Yes | Insurance cover and is in accordance with the Policy held. Contents other (other property) are generic under heading within the 'All Risks Category' and have been given a value in accordance with the Policy held. Specified items £500 Damage to property £7,837  |

**Additional comments:** Council is mindful of the guidance in Governance and Accountability for Smaller Authorities for England (March 2019) regarding valuation of assets and ensured that where the acquisition value of the asset at the time of first recording is used, that method of valuation has been consistently applied.
